

# REPUBLIC OF COLOMBIA

Product Certification Services  
for goods exported to Colombia

## THE PROGRAM

Cotecna Certificadora Services Ltda Colombia is an Accredited Body for Verification of Conformity under ISO Guide 65 by ONAC (National Accreditation Body of Colombia). This accreditation allows Cotecna to verify the conformity to Colombian technical regulations, of specific products exported to Colombia.

Cotecna's Product Certification Program offers different certification Systems according to ISO/IEC Guide 67:2004:

- System 1a: Certification by batch to be imported
- System 1b: Annual certification of products to be imported
- System 5: Product marking (product seal)
- System 6: Services and production process certification

## GOODS SUBJECTED TO COLOMBIAN TECHNICAL REGULATIONS\*
