> Consumer Goods

THE PROGRAM

According to Article 92 of the Ministerial decree N°770/2005, certain categories of consumer goods* imported to the Arab Republic of Egypt must comply with Egyptian Standards.

COTECNA IN EGYPT

Cotecna, a testing, inspection and certification company established in 1974 and in Egypt since 2004, is accredited with the General Organization for Export and Import Control (GOEIC) for the verification of conformity for textile products. Cotecna can perform visual inspection and assist importers in ascertaining the conformity to Egyptian Standards of other consumer goods shipped to the Arab Republic of Egypt.

PROCESS TO ISSUE A CERTIFICATE OF INSPECTION

Cotecna can issue a Certificate of Inspection (COI) to ensure that shipments are in conformity with Egyptian Standards.

To obtain a COI the importer must demonstrate that his goods have been tested and inspected before entering Egypt.

Cotecna can provide tailor-made services to assist importers throughout the entire process:

- Sampling and testing of consignments in accredited laboratories (17025 accreditation by ILAC members)
- Physical inspection in the exporting country
- Documentation verification
- Issuance of a COI

(As per the Ministerial Decree, inspected goods are NOT exempt from health and radiation inspections by Egyptian Authorities upon arrival.)
