

THE RUSSIAN FEDERATION

GOST R Verification of Conformity
Program for goods exported
to Russia

CONTEXT

Most consumer goods exported to Russia require a GOST R Certificate of Conformity to ensure that they meet the Russian safety standards and regulations.

Mastering GOST R Certification of Conformity is a powerful tool for exporters to penetrate the Russian market, create business opportunities and capture or retain Russian customers.

COTECNA EXPERTISE

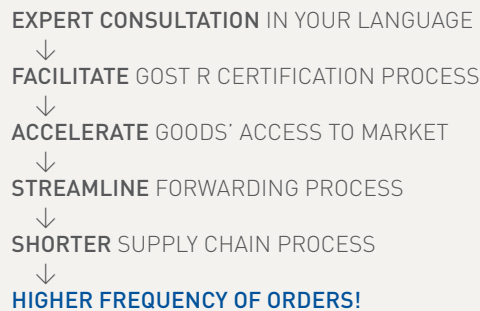

We provide tailor-made services in assisting exporters throughout the entire process to obtain a GOST R Certificate of Conformity. We offer the following services:

- **Consultancy services** for GOST R certification prerequisites
- **Expertise in Russian standards** to harmonize/match European and Russian standardization systems
- **Network of specialists and experts** providing up-to-date information on GOST R certification
- **Suppression of language barrier** by dealing directly with Russian certification bodies
- **Assistance in collection of all relevant documentation** for GOST R certification
- **Documentation verification**

TYPES OF GOST R CERTIFICATE OF CONFORMITY

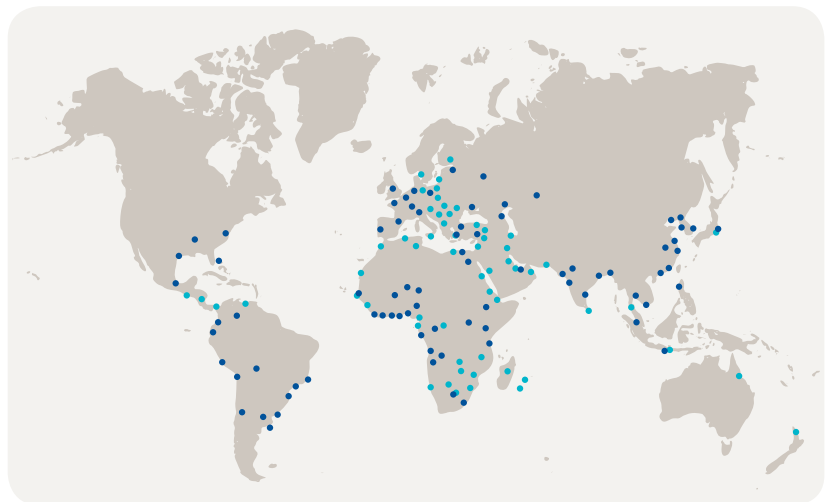

- Certificate valid for a single consignment
